NEW: Classes

*Now classes are without breaks. Urination is
not learning! We’ll all get home quicker.*

lawyer, accountant, and publicist, you’ll have
so many deductions at the end of the year that
it’s as if the government is paying YOU to
act!

Class Two: Learn how to have children and
become their manager. *Hey: Managers are
unregulated. Why settle for 15%? What can
they do? Seriously?*

*Mad props to Evan for rockin’ this. He totally
came up with this and I think it’s awesome! We
do stuff like this in class EVERY DAY!!

Class Three: As more and more productions
are moving to Brazil, Definition: Actor now
offers Spanish classes.

Class Four: Is your bogus acting class not
getting the attention you need? Learn how to
create pointless and mildly amusing flyers in

—Signature illegible

—Halle Berry

“If I only had six weeks left to live, I would spend them in ‘Andy’ and Evan’s class. Just not the Tuesday night class.”

—Tom Konkle’s Hot Nanny

—Thomas Schlamme

“Hey. What’s up? Is this broken? I didn’t hear a beep. I don’t know, I’m bored, I just thought we could hang. Call me back, will you?”

—“Andy” Milder to Evan Arnold

“Fredo, you're nothing to me now. You're not a brother, you're not a friend. I don't want to know you or what you do. I don't want to see you at the hotels, I don't want you near my house.”

—Al Pacino
